

# Fiber Optic Adaptors

## *SC male to ST female duplex adaptors*

These SC male to ST female duplex adaptors are provided as an optional accessory to give users of Moxa industrial Ethernet switches more fiber optic connection options. Simply plug the adaptors directly into the SC connector of any Moxa industrial Ethernet switch to convert the original SC connector into an ST connector. This allows you to use an ST connector with any MOXA industrial Ethernet switch, but without the need for an extra patchcord.

### **ADP-SCm-STf-S**

SC male to ST female duplex adaptor for single-mode fiber

#### **Specifications**

**Single-mode:** 9/125  $\mu\text{m}$
